

The Nortons to Latin America

February 2026

Dear Pastor and Church Family,

It has been a busy and exciting start to the new year, and we are truly encouraged by what the Lord is doing in our lives and where He is leading us.

Recently, during one stretch, we traveled through three states, visited five churches, preached ten times in just twelve days, and spent approximately forty-five hours on the road! What a privilege it is to serve the Lord! He has opened many doors for us to participate in missions' conferences and meetings throughout the Midwest, South, Southeast, and eastern regions of the country. We currently have seven missions' conferences scheduled for February and March. Please pray with us for safety, especially regarding winter weather and road conditions as we travel. We are also thankful to have added Maryland, Virginia, and North Carolina to the list of states we have visited or traveled through, with more to be added in the coming months.

Since our last prayer letter, we have been blessed to visit both former supporting churches and new ones. It has been such an encouragement to continue presenting the ministry in churches while also sharing the gospel along the way. What a joy it is to see people trust Christ as their Savior and others surrender to the will of God for their lives! We have been truly blessed and encouraged.

We are especially thankful for former supporting churches that have already taken us back on for support, as well as new churches that have partnered with us for the first time. It has been exciting and humbling to watch the Lord assemble a team of faithful "rope holders" to support us as we strive to return to the mission field. Recently, two more churches have joined us through monthly support, and we are praying for several others who have expressed interest as well! To God be the glory! Each step forward is a great encouragement to us and brings Lynne and me that much closer to returning to the field. If you are interested in having us visit your church, we can be reached using our contact information below.

Acts 15:36

Prayer Requests:

1. That more churches would partner with us through monthly support.
2. For the Lord's protection as we continue traveling and souls to be saved.
3. For God to guide as we continue to schedule meetings for 2026.
