MISSIONARIES TO
URUGUAY

February 2026

Dear Pastors and Partners in the ministry.

Praises to the Lord...

Our recent youth camp was a powerful experience, touching many young hearts. Five young lives were saved and others through the great messages experienced conviction, and many decisions for service and surrender to the Lord were made. The messages were deep and God's Word really touched all of us. We appreciate your prayers for this very important part of our ministry in Uruguay.

We had our 28th Church Anniversary this past month with a great attendance to the special service. Many who had not been attending came back to visit, and some have kept coming. Just being there was a very emotional day as we reflected on God's mercy and blessings through the years. He is "A mighty fortress!" We praise God for all of you who have been investing in our ministry for so many years, showing such love a faithfulness and praying for us. May God bless you all!

Upcoming events and prayer requests...

We will celebrate the graduation of our four-year Summer Seminary class on February 22nd. This time the Lord blessed us with 17 full-time students. This has been a very mature and dedicated class. It is our prayer to continue equipping individuals to lead and serve the Lord in their communities throughout Uruguay and even beyond.

The Nueva Helvecia church building is nearing completion. We're grateful our sending church (Faith Baptist, Clinton Township, Mi) that will come in March to help us finish this project. They will be also involved in special music and outreach in the evenings in some of our churches in Colonia.

During pastor Gabriel Chauvie's furlough, we have taken the ministry of helping the church in El Real. We have seen some new people starting to come. Please pray for Pablo Rodriguez, an Argentinian living here who was in great despair a few months ago and tried to commit suicide. Praise the Lord he did not succeed and God gave him the opportunity to hear the Gospel and gave his life to the Lord. He has not missed a service since then!

On a personal note, please continue to pray for Ruth's upcoming knee surgery, for a smooth procedure and swift recovery. We don't have a date yet! We have been assured that it could take place any day. This experience is teaching us patience for sure! Additionally, our children are actively raising support to join us here in Uruguay. They will be active in church planting. Your prayers for their efforts are deeply appreciated.

Finally, my family and I remain incredibly thankful for your compassion and support during the recent going to heaven of my sweet mother. Your kindness was a true comfort during this difficult time. Your faithful prayers, generous support, and partnership are instrumental in changing lives and building God's kingdom.

Thank you for everything.

Yours for Uruguay,

Archie and Ruth Perez
