Bible College Graduation

The college year came to an end the first part of December. Three of our students finished their studies and are ready to launch out into the ministry. One of the graduates, Alex Crus, is preparing to spend 2 months in a remote part of Honduras, serving with fellow missionaries as he prepares to enter missions. He will be going to the area around Puerto Lempira to reach the Misquito indigenous region of Honduras. There are no roads in to this area. He will fly in on a small aircraft and be transported in a small boat to the location where he will serve. Pray for him as his travel begins in just a few weeks.

Christmas Season

After graduation, we entered into the Christmas season. Shortly before Christmas, services were moved to the conference facility for a day of preaching, food, and fellowship! It was a great time of growing together as a family. One young military wife, Andarlin Flores, trusted Christ as her Savior after the service!

Political and Logistical Update

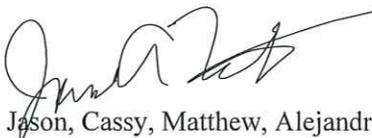

Recently we mentioned the collapse of a local bridge that cut off transportation into one of the areas where we planted a church.

The local community dumped river rock into the water that allows vehicles to cross over as long as it is not raining. Pastor Pedro Avila has been able to reestablish regular services in the area! Nationally, the general election took place. Three main political parties gained the majority of the votes. We are thankful for the overall calm that took place during the counting of the votes. Pray that God would continue to give us an open door to reach the national leaders for Christ.

Please Pray for the Following:

1. Praise the Lord for the 17 saved and 3 baptized.
2. Pray for Pastor Pedro as he is raising \$10,000 to purchase a 4-wheel drive vehicle for the church in Los Robles.
3. For growth for the 10 churches that have been started.
4. For Walter Miranda as he raises support to start a new church in the city of Catacamas. He currently has 87% of his support!

Thank you for your prayers,

Jason, Cassy, Matthew, Alejandro, and Marjorie
