THE BORRMANN FAMILY

Preaching the gospel in Windsor - Essex, ON

PRAY FOR CANADA

We hope this prayer letter finds you well. Thank you for your continued prayers for us and for the mission field of Canada. Like many others, our family has been struggling with sickness over the past few months, and we are looking forward to the warmer weather. We also appreciate your prayers for our church. We are seeing God at work in developing people serving as class teachers. We are also rejoicing in one new soul who has accepted Christ!

At the beginning of this year, we had a new visitor, Jane (a believer), who began attending our Sunday morning service. She has been enjoying the services and has even brought a friend named Sue with her. Over the course of several weeks, Sue accepted Christ after one of the morning services. Both Jane and Sue are now enrolled in discipleship, and Sue has expressed a desire to be baptized. Please pray for our Easter Sunday and baptismal service that day; several people attending our services are needing to take this important step of believer's baptism.

In January, our church held a special prayer service for Canada. Our Canadian government is continually working on law amendments that threaten to remove select Scriptures from the Bible and eliminate protections for those speaking on religious subjects or texts. There was a wonderful response from people who attended these special services filled with a desire to pray for souls and our government. Around the same time, Jason had the opportunity to meet with our local Member of Parliament (MP) to discuss current issues and build a relationship. One of the staff members from the MP office even attended one of our Sunday services a few weeks later. Please pray for us to keep a good testimony and witness with our local community and government officials.

May the Lord bless and help you and your church as you seek to share Christ this Easter!
