

# EUROPE

January - February Prayer Letter 2026

Dear Friends,

My first order of business is to express our heartfelt:

## THANK YOU!

for your very generous special gifts in December and January.  
Please know that every gift was deeply appreciated and that your gift  
will be used to invest in reaching the lost.

Carole and I continue to be deeply honored to be part of your church endeavoring to reach Europe for Christ. I would again emphasize that some of you gave “very” generously. What a blessing as we start this new year.

We have several meetings scheduled throughout the spring as well as our annual “Action Conference” the last of March. Of course, we will be busy this summer with Candidate School, Enrichment Week, two weeks of CAMP BIMI and a week of Director’s planning.

In August, we will have our 2026 Europe Field Conference in Switzerland (I know, I know - we will just have to suffer). Seriously, I would ask you to pray for this Field Conference. Dr. J.B. Godfrey is going as the keynote speaker and most of our Europe missionaries will be there. Currently, several of them are dealing with difficult circumstances related to the war as well as the political climate. Some are having visa issues and others are facing other challenges. We are designing this conference to be “family time” of refreshment, encouragement, instruction, and inspiration for everybody. All of us who work in Europe need occasionally to be reminded that it is God who called us to His harvest field and that He is, was, and always will be in control.

There will be first term missionaries and others who have been on the field for decades. We are praying that the Lord moves in a wonderful way to sharpen our focus and help us to be better ambassadors for our Savior.

After the field conference, I have several mission conferences, weekend mission meetings, Bible college chapels, etc. scheduled for the autumn.

None of these things would be possible without you! Again thank you for your confidence and trust in us and for your prayers and financial support. We are blessed to be your servants.
