Update on our land and building fundraising

Last August I shared with you the amazing goal of **\$920,000** needed to buy two pieces of land with buildings already built on each one. The larger property is 10,700 sq. ft. and costs \$720,000. The smaller property, the one where we had been meeting for the last several years, is 2,300 sq. ft. and costs \$200,000. The total amount for both properties is \$920,000. This, of course, does not include the cost of taxes and building renovations. The total amount that we need **is closer to \$1,000,000!**

As I have explained in prior letters, we are buying the smaller building too because we negotiated a very low price, when in reality that land is worth twice as much. So we see that land as an investment that we can use for future needs.

One million dollars? That is crazy! How could we reach that goal? God will provide. I am sure that He will.

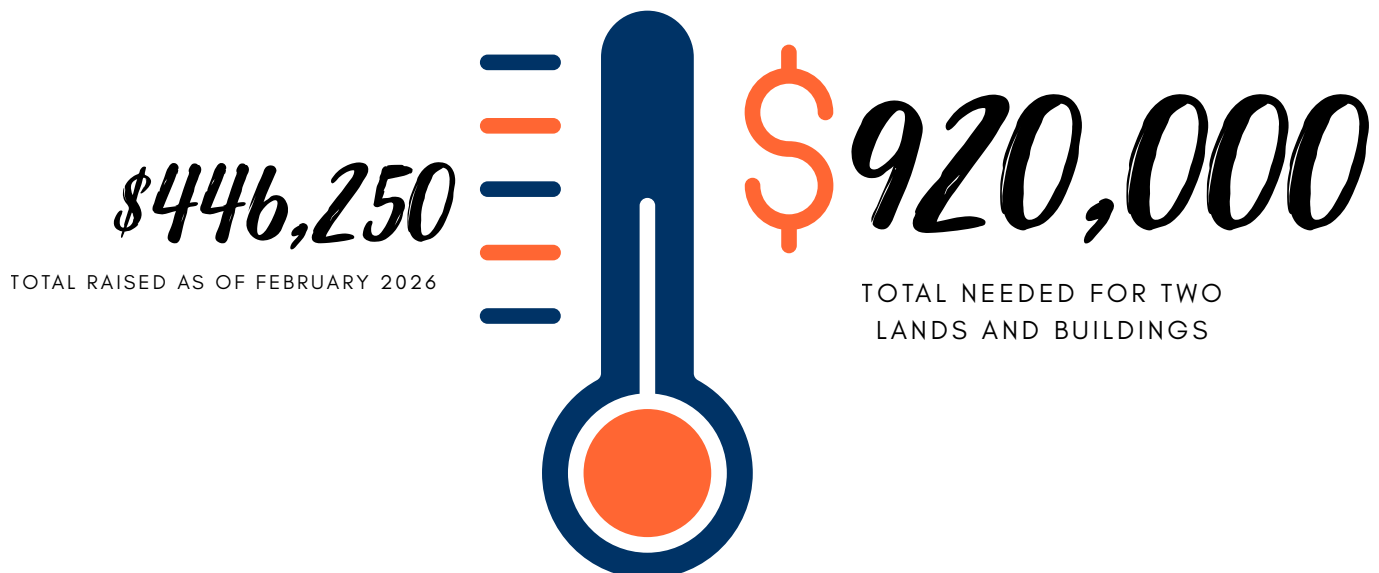

Today, **in only six months of fundraising**, I am happy to announce that **we have raised almost half** of the goal! God is able.

Prayer Request

Please pray that we reach our goal. We have asked each supporter to help us with a one-time donation of \$8,000 or more. Thank you for all your support! We know of your sacrificial giving, and along with the apostle Paul we say, «*Not because I desire a gift: but I desire fruit that may abound to your account*», Philippians 4:16.

Family News

This month, Natanya is turning 15 years old! What a milestone in her life. Please pray for her, that she continues to be a godly girl who loves the Lord and makes wise decisions with her life. Also pray for our two boys, Santiago, 12, and Sebastian, 7.

PICTURES IN MEXICO CITY

1. Beautiful building

This land is gorgeous! People enjoy tremendously the garden, the space, and the fellowship that we can now enjoy.

2. Auditorium

We can seat over 300 people at once. This is amazing compared to the 162 seats that we had before. In the future, we can expand, but for now, this helps us so much.

3. New neighborhood

We are in a new area, and thus, we have had many new people come because of our new location. The front of the building allows us to advertise our church very well.
