Prayer Requests

Jan - Feb 2026

1. For the Lord to streamline Olivia's passport and Visa application.
2. That we would be able to gather all of the necessary supplies and medications for our next term.
3. That the Lord would give us wisdom and grace as we prepare our kids for more hard goodbyes and transitions.

Dear Pastors and Friends,

Family Addition

The Lord blessed our family with a baby girl on February 24 at 9:04 p.m. Olivia Elise Caviness came into our family and our hearts, weighing 9 lbs. 4 oz. and measuring 21 inches long. Though Kelci experienced some complications at birth, both mom and baby are now healthy and recovering well! Our boys are smitten with their little sister, and we are all enjoying every moment of this newborn stage.

Home Church

During this time, we have slowed down and had the joy of spending time with our home church. It has been a blessing for our whole family to both minister and be ministered to at our church. We have had the opportunity to preach, sing, participate in Sunday school campaigns, soul winning, and workdays. For both of our boys, this is the first time they have been able to participate in church services and Sunday school in English. They have loved it!

Our First Ministry

As we seek to minister to people all over the world, we continually remind ourselves that our first ministry is to our own family. For over a year, Micah and I have been talking about salvation. He started with simple interest and questions, but with no real understanding. Over the past year, we have seen his understanding growing and the Holy Spirit working on his heart. A few weeks ago, Micah's heart was ready. He trusted in Jesus and called on Him to save him! What a blessing! He was so excited to get baptized and show everyone that he had trusted in Jesus and was not ashamed.

Departure

As always, we are so thankful for your prayers for our family and ministry. We have our plane tickets home and are preparing for our rapidly approaching departure back to Congo this May. There is still much to do before we leave, but our minds are already turning to the work in Congo. We are eager to get home and continue fulfilling our mission in Congo!

This was a voting location for Congo's recent presidential election.

Expecting Great Things,
The Caviness Family
