

The Nortons *to Latin America*

April 2026

Dear Pastor and Church Family,

We hope you are doing well. The last two months have been very busy. We are thankful for your prayers for us as we have travelled thousands of miles, driving and flying to mission conferences and meetings. We have become reacquainted with folks that we have known for years as we have reported back to several former supporting churches. Also, we have met many new friends as we have visited new churches that have been led of the Lord to hold the ropes for us!

It is exciting to see how the Lord has been working, allowing us to see people trust Christ as Savior as well as calling several young people to serve the Lord! We have seen people trust Christ as Savior in both Alabama and New York, and have witnessed and passed out tracts from British Columbia, Canada all the way to Georgia. The Lord gave me the opportunity to preach in two Christian schools and to preach in three Spanish churches as we continue to present the ministry and the need for many more to go to Spanish speaking countries with the gospel of Christ!

Since our last prayer letter, we have had four more churches take us on for support! We are so thankful for each one that has partnered with us financially and is praying for us as continue deputation. May the Lord continue to bless you as we serve Him together in His harvest!

“Going again,”
