Dear Friends,

There is so much to update you on in this letter that I will present those updates in two major categories: praises and prayer requests.

**Praises:** We praise the Lord for the twenty-seven churches across Canada who joined our church for National Sunday of Prayer on January 18th. It was a powerful day of prayer that God's Spirit used in various ways and plans are already underway for next year's day of prayer. We're also thankful for the Spirit's continued work during our winter revival services four days after our National Sunday of Prayer.

The Lord is also doing a great work in ladies Bible study each week. This year, the ladies are studying the book of Proverbs and what we're seeing is a group of ladies growing in their love for one another and in their ministry to one another. It's exciting!

On Easter weekend our church rejoiced in the resurrection of our Saviour, but we were also able to rejoice in the Lord's work. There were many first time and returning visitors to our services that weekend and an amazing spirit prevailed. Some who visited have communicated that they would return, but we have not seen them do so yet. Nevertheless, the gospel was clearly preached and our church family worked hard at inviting people to come to church. And that brings us to our...

**Prayer Requests:** We would like to ask you to pray that some of those visitors would return and ultimately trust Jesus Christ to save them from sin. Another matter of prayer on our hearts is for discipleship growth and more labourers in our church. And as always, whenever God is blessing Satan is fighting. And in recent days the enemy has been fighting. Please pray we will see godly victory in some battles people are fighting.

In closing, I want to let you know that your prayers and faithful support are a big encouragement to us. We pray you experience God's blessings and victory through Christ as well.

Your Grateful Co-Labourers,

Shawn & Leslie Beliveau
