# THE BORRMANN FAMILY

*Preaching the gospel in Windsor - Essex, ON*

## DISCIPLESHIP

Thank you for your faithful prayers for us. We've seen encouraging growth in the people of our church. New visitors have been joining us, and we recently completed a Connect Class that included several families exploring church membership. A few of those visitors have asked about becoming members, which is an encouraging step toward deeper commitment. We are asking God to help our ministry become faithful in service.

Personal evangelism and discipleship are bearing fruit. Our Sunday ministries have expanded with an additional teen class that continues to meet twice a month. The church couple that leads the teen class has been doing a great job, and they are excited to be growing deeper in their understanding of Scripture as they teach. One new visitor that came after being invited by a faithful member, responded to the gospel after a morning service and is now engaged in ongoing discipleship sessions. The same church member had the opportunity to personally lead another friend to the Lord a few weeks later. This was her first time ever leading someone to Christ! We also celebrated multiple baptisms during our recent Easter service, giving public testimony to new life in Christ.

We have several specific prayer needs:

- **Spiritual growth and commitment:** pray for new visitors as they consider membership, for those exploring baptism, and for recent converts to be rooted in discipleship.
- **Discipleship capacity:** pray God would stir up more committed people in our church that would volunteer in children & youth ministries, disciple new believers, show hospitality, participate in evangelism outreach and live an exemplary Christ-like life.
- **Health and recovery:** pray for continued healing and strength for several members facing surgeries, cancer and physical weaknesses. Grace to serve the Lord inspite of our weaknesses.
