in Grenada

1st Quarter 2026

Dear Pastor and Praying Friends,

God's way is the best way, and His unique and wonderful way always amazes me. During the spelling class I gave my grade one students an example of how to use the word arose. Since the spelling word was arose, I of course needed to tell them the wonderful message of Christ arose from the dead. Kion had several questions concerning heaven and hell. So, I invited him to meet with me after school, and he trusted in Jesus Christ as his Lord and Savior. Amen! Praise the Lord! Watching Kion grow academically blesses my heart, but his salvation means way more than anything else. Please pray for God to help Kion grow in Him. The environment he lives in gives him a bad influence. He really needs God's help to stand up for what is right.

At the end of January my sending pastor and his wife came to visit me for one week. They were such a blessing to me and the ministry here. While in Grenada they were involved in various ministries, like youth meeting, preaching, teaching the children a two part song, and visiting the government schools and the juvenile centre. Pastor Tyler also held a song leading seminar with the boys. Khadell and Kye started leading some congregational singing on Sunday nights now. Though they need to increase their volume (due to nervousness), with God's help, Khadell and Kye will do great someday.

I have known Pastor Tyler before he turned two, and I was his babysitter quite often. It truly blessed my heart watching him grow into a fine young man and serve the Lord. God is good!

Prayer Requests:

- As I mentioned in my last prayer letter, my left shoulder was injured last year in September. The mobility of my left arm has been greatly limited. I am still visiting the physiotherapy office. Please pray for God's healing hand.
- There was an attempted breaking into my house while I was at church one Sunday morning. My landlord is a wonderful person and she immediately installed a metal gate for me. I thank God for her. Please pray for God's protection.
