

ARCHIE & RUTH
PEREZ
MISSIONARIES TO
URUGUAY

April 2026

Dear pastors and prayer warriors,

As we write this letter, we can see through our window the clear sign of fall... beautiful trees changing their color into reddish and yellow tones. This makes us think about the different seasons of life and ministry. Summer always brings a lot of outreach and outdoor activities. Winter will bring more activities focused on training, teaching, and enrichment of our families and their growth in the Lord. We never stop sharing Jesus...

Praises...

We had the seminary graduation and also the Bible Institute graduation. It thrills our souls to see God working in these young people's lives.

We had the visit and ministry of our sending church, Faith Baptist Church, Clinton Township, MI. What an excellent and fruitful ministry they had among us! A team of 25, hard-working and very easy-to-please team, serving in construction and music.

They put the floor of our new church building in Nueva Helvecia, and almost every night we had special meetings. Two sacred and classical music concerts were held, where many contacts were made (two people were saved). In an amazing way, the city allowed us to use two of its theaters, and they sponsored our event! To God be the glory for everything done that week!

The new church building at Nueva Helvecia was inaugurated on March 27. What a special and wonderful event this was, a packed church and such joy in the believers! Praise God for providing the funds and the people to make this possible!

John and Beth Briley (our daughter and family) are at almost 85% of their support!!! We are so happy they are coming to the last stretch of their deputation. Mark and Yanina are about 65%.

Prayer requests...

It is almost humorous the time it's taken for Ruth to have this knee surgery... no doubt God is teaching us patience. No, we don't have a date yet, but we trust it's getting closer. Please, pray over this... she has been on a walker for many months, and this is also affecting her back.

Pray, please, for our upcoming family retreat in May. We already have 90 who have reserved a place... we pray for a wonderful retreat.

For the Brileys and Perezes, as they continue to raise support to serve in Uruguay.

For Esteban Chauvie and Juan Daniel Kechichian (two of our young men), who will be serving in NBT (Neighborhood Bible Time). They will go to intensive training in the U.S. and then serve in Puerto Rico and the Dominican Republic. They leave the first week of May and return in August. Please pray for provision and protection for them. Both young men have a bright future in ministry.

A note of thanksgiving...

We are so thankful for you, your support for us, your notes of encouragement, your prayers... keep those prayers coming, please... we need them.

We love you and appreciate your friendship!

May God bless you and guide you through every day challenges, giving you His strength and power.

Yours for Uruguay,

Archie and Ruth Perez
