

Missionaries in **Uganda, East Africa** since 1996

March – April 2026

Dear Friends,

We have had a wonderful furlough in seeing many of our family and friends and reporting to many churches. We always enjoy the opportunity to encourage people in the area of missions. It has been a blessing to see people surrender their life to the Lord, and Cheryl also led two young ladies to the Lord. So far this year, throughout our ministries, the Lord has allowed us to see **146 people saved and nine baptized**. Please be praying for us as we work on discipling them.

We have our airline tickets to go **BACK TO UGANDA MAY 14TH**. Please be praying with us as we are expanding the computer program for the Bible College & Christian School. This program will help pastors as they prepare for the ministry. We bought 3 computers, and we still need to purchase another **22 minicomputers** to take back with us on the 14th of May.

We will purchase the monitors and keyboards in Uganda. Each computer cost \$249 and the monitor and keyboard cost \$130. If you would like to help then please give your gift through BIML, or contact me directly if you would like to send a minicomputer to us here in the States before May 14. *Contacts: 843-465-2383 / jcpriidgen2@gmail.com*

FAITHFUL PUBLISHERS PRINTING MINISTRY is up and running. The Lord has answered our prayers in that all the money has come in that we need to purchase the other printing equipment. Thank you for giving and for praying for this ministry. Please continue to pray as we now work on raising some money for the printing cost. If you would like to help us to print the Gospel, then you can give a special gift or give monthly to help us as we print and distribute the Word of God throughout Uganda and East Africa.

We are excited about what God is doing through **GOSPEL LIGHT BAPTIST SCHOOL**. We are seeing people

saved and lives changed through this ministry. Over half of the population of Uganda is below the age of 16 and it is vital that we reach this younger generation with the Gospel. Please be praying with us as we have outgrown our current facilities and need to build a multistoried building. The Lord has allowed us to raise \$15,000 thus far but we still need to raise an additional **\$335,000** to finish phase 1 of construction

In Uganda, we can occupy a building before all the floors are finished. So, we can construct part of the building to help meet the present need and then we can finish the building as money is available. This is a worthy investment as I believe that we have **the potential to see thousands of children saved** through this ministry. If 100 churches gave \$3,350 this need would be met; or if 670 people could give \$500 each. Whatever the Lord may put upon your heart no matter what the amount may be, it will help us to construct this building and reach many young people with the Gospel.

TRIPLE C MINISTRIES: We divided our ministries into 3 categories so that you can more effectively pray for us as well as become more involved in various ministries.

Church Planting: Training Pastors @ East Africa Baptist College; Assisting in Church Planting, & Faithful Publishers Printing Ministry

Children & Youth: Helping Orphans & Vulnerable Children through Gospel Light Baptist School, East Africa Baptist Youth Camps, & Vocational Training

Community Outreach: Constructing churches, schools, & youth camps and doing special projects to reach the multitudes.

Please Pray for Triple C Ministries: as we reach Uganda & East Africa with the Gospel. In our next update, we will send you a brochure about these ministries. Thank you for your prayers & faithful support.
