

THE VALLES FAMILY

MISSIONARIES TO THE TURKS & CAICOS ISLANDS

*Let them give glory unto the Lord,
and declare his praise in the islands.*

Isaiah 42:12

Dear friends and family,

April 2026

Not only do we serve a risen Saviour, but I know Jesus is alive and answers prayer. I recently asked prayer that we would have a door into the growing Filipino community here. Most of them speak English very well. These last few Sundays, we have been watching God answer that prayer. We have had roughly 8 Filipinos total from 3 different families coming each week. One family has been coming, and even though they are Catholics, they have been inviting other Filipinos to come to our church because we teach the Bible! They are searching, listening and hearing the plain Gospel. Please pray that they would understand the simple Gospel message and believe. It's still hard to find them at home, but please pray for opportunities to witness.

Two of Amy's Sunday School children have trusted Christ as their Saviour recently, and a teenage boy professed Christ as his Saviour as well. Please pray for these to get established in their faith.

Not only does our church consist of T.I. (Turks and Caicos Islanders), Haitians, Jamaicans, St. Lucians, Americans, English, and Filipinos, but also the number of families attending has climbed to 6! It's rare here to see families attending church together. They are from all over the world and are hearing the Gospel and placing their trust in Jesus alone to save them. What a joy to see the Lord using us.

One of the biggest town drunks seems to have gotten right with God recently. He has been attending our church for years, and is saved. Please pray for Sim...His health has been terrible these last few years, but I believe the Lord has used that to get a hold of him. His reputation around town has changed dramatically, for the good, in the last few months. He has turned his back on his ungodly friends, and is now taking a strong stand for Jesus. He is listening to the Bible as he can't read well, and listening to Christ-honoring music, as well as listening to the Word as he hears it preached in church. Please pray that he would continue to grow in Christ.

We just want to say a special "thank you" to those who have helped us with our solar project. The \$10,000 has come in to purchase the solar. The electric company continues to make improvements, but the problems only get worse and more frequent, causing many to lose their appliances. If the Lord lays it on your heart to give toward this project, we still have a \$3,500 duty and shipping bill to cover.

Thank you for you faithful prayers and support.

In Christ,
Paul, Amy, Abby, Emily, Sadie, Ben, and Caleb Valles
