Dear Faithful Supporters,

June 2026

As we finish up this first half of 2026, although extremely tired and sometimes discouraged, we are still truly thankful to the Lord for all He has done.

With our Open House/Dedication Sunday rapidly approaching, we are focused on the finishing touches on our building. A lot of work and prayer have gone into this very special day. Pray that God will be glorified in all that is said and done during that time.

June 28th, 2026, will not only be our Open House, but this date also coincides with my wife's and my 14th anniversary of landing here in St. Lucia. As we ponder the last 14 years of the ministry here, we pause to thank God for so many blessings we have seen and even for those we have

not seen that will be revealed only when we get to Heaven! God is always good, even when we sometimes can't see His goodness.

As we head into our 'summer' season, we are preparing a couple of events. Vacation Bible Kids Club will be fun. Also, starting in August, my wife will be heading up a new monthly children's reading club in our new building in Bruceville. The next few months will continue to be busy and exciting.

Thank you once again for your continued prayers and financial support. In these economic times, we do understand the sacrifices that you make for missionaries around the world. May God continue to bless you as you continue to bless others.

In His service,

Wes and Faith-Ann Bartley
