APRIL – JUNE 2026 PRAYER LETTER

A UNITED STATES CITIZEN – FINALLY!

Thank you once again to all who faithfully prayed with us regarding my wife's United States citizenship process. This past March, we received an email from U.S. Immigration informing us that we needed to be in Tennessee in April for her official citizenship ceremony. We were thrilled to see the Lord answer yet another prayer.

On April 7, my wife was officially sworn in as a United States citizen. We praise the Lord for His goodness and faithfulness throughout this process, and we sincerely thank you for your continued prayers and encouragement.

NEW CHURCH LAUNCH

Shortly after my wife's citizenship ceremony, I returned to the Philippines to preach at the official launch service of our new church plant in Tabogon, Northern Cebu. During the service, the pastor presented baptismal certificates to the first group of baptized converts from the ministry.

It was a joy and privilege to pray over these new believers and the church family, asking the Lord to establish this ministry as a faithful lighthouse for the Gospel in that community, and that these believers would continue growing in their newfound faith in Jesus Christ.

SUMMER YOUTH CAMP

A few days after the church launch, I traveled to Mindanao to preach for veteran missionary Bruce Rice, who has faithfully served in the Philippines for over 40 years. It was a blessing to see the new building project they are currently working on, and I was privileged to preach eight times throughout the week at their youth camp.

We rejoice that 20 young people made professions of faith in Christ, and 13 young people surrendered their lives for full-time Christian service. We thank the Lord for the work He accomplished in the hearts of these young people and ask that you continue praying for their spiritual growth and faithfulness.

PERSONAL SOULWINNING

In recent months, I have been praying that the Lord would give me a greater burden for souls and provide more opportunities to personally share the Gospel with those I meet in everyday life. The Lord has graciously answered that prayer.

Over the past several weeks, I have personally had the privilege of leading three individuals to Christ. The first was a Filipino-American pilot named Rhae, who humbly trusted Christ as his Savior. The second was Joshua, a father of two who had attended various churches for years with only a head knowledge of the Gospel, but who trusted Christ during a conversation in my office. The third was a high school friend from the United States named Wes, whom I was able to reconnect with while in America for my wife's citizenship ceremony. Please pray for the spiritual growth of each of these men.

MEDICAL MISSION

Thank you for praying for the recent medical mission we hosted in Cebu. The Lord greatly blessed the outreach, and we saw 543 people come through the clinic. Most importantly, 340 individuals made professions of faith in Christ as Savior.

In the weeks following the medical mission, several families reached through the outreach have already begun attending church regularly. Please pray for their continued spiritual growth and discipleship.

We are especially thankful for Pastor Russ Smith and our friends from Meriden, Connecticut, who traveled to the Philippines to help sponsor and assist with the event. We trust that the eternal fruit of this ministry will continue for years to come.

20 YEARS AND COUNTING

This month of May marks 20 years since I was ordained into the Gospel ministry. I am deeply grateful for God's calling upon my life and count it a tremendous privilege to preach His Word and share the Gospel with the lost.

The past two decades have passed quickly, reminding me more than ever that our lives are a stewardship entrusted to us by the Lord. I praise God for His faithfulness through these years and humbly ask for your continued prayers in the years ahead. My desire is to remain faithful to the Lord and to the calling He has placed upon my life.

CAMPSITE PRAYER REQUEST

Please continue praying with us regarding the possibility of securing a property for a future youth Bible camp. We have identified several promising locations that could serve well for this ministry, but we are seeking the Lord's clear guidance and provision.

Many of us can testify to the life-changing impact that youth camps can have on young people spiritually. It is our prayer that the Lord would allow us to establish a place where young people's lives will be changed through Biblical preaching and a controlled environment. Thank you for standing with us in prayer for this great need and opportunity.
