

BEVERLY DIMAL

MISSIONARY TO BACOR, CAVITE, PHILIPPINES

Dear Church,

There is joy in the service of the King!

We celebrated our 4th year anniversary and welcomed the year with new church theme “God Gives Grace”. It has always and only been by God’s grace that we get to serve Him and see Him do great things beyond our understanding. Especially in the ordinary weekly ministries, we witness His faithfulness.

Our Kids’ Bible Clubs are still running on Saturdays: one held at church in the morning, and one in the afternoon at another location. Recently, we hosted a “Free Ukay-Ukay” (free second-hand clothes) where the Moms of our outreach kids were invited for the purpose of getting them to church and sharing them the Gospel. One of the ladies that came was named Chami; she looked like she had been searching for God. She even cried as she was receiving Jesus’ gift of eternal life. I was in awe as I saw God work in her heart, she even came to the Morning Service the Sunday after. Praise the Lord!

I also want to praise the Lord for this discipleship batch that has finished course. One of these girls’ desire has been to follow Jesus in the next step of obedience, baptism, but her family didn’t approve of it last year. Recently, on Family Day, her parents finally allowed her and she gladly obeyed God’s command. Oh, she was the happiest that day!

On Mothers' Day, our Primary and Juniors Sunday School classes presented a special song at church. Two of our faithful juniors got to bring their mom to church for the very first time. It was another awe-filled experience for me as I shared the Gospel to her. I was reminded that I too, have this secured eternity. Please pray that she will come back to church with the whole family.

One of the many blessings I have witnessed in the 4 years I served in the Philippines, is seeing our former Sunday School students grow up as faithful teens and become our helpers in the ministry. They now minister with us in soul-winning, decorating the church, visitations, and kids' outreach. How cool is that?

Vacation Bible School 2026

In the last week of April, we held our Annual Vacation Bible School, themed, “Fearless With God” averaging 100 kids per day. We were overwhelmed by God’s goodness and working in the lives of the children. Our volunteers were mostly teens, but the Gospel was clearly presented to these precious souls and we praise Jesus for using our young people for the furtherance of His Good News. Though many of them haven’t come back to church since, we’ve seen an increase to our Sunday School and Kids’ Saturday Outreach as result.
