

Liedtkes in Honduras

June, 2026

Dear Friends,

These have been full months for us and our church family! Praise God with us for the opportunity to be involved in His work! Here are some highlights.

In March we were able to participate in the inaugural service for a new church plant in Ojojona that we have supported financially. Please pray for Brother Juan Alvarez as he is faithful in this work. We also celebrated Honduran Father's Day and challenged the men in the leadership in their homes. I had the opportunity to give parenting classes in a local school here in Valle de Angeles and preached at the Easter convocation for the Christian school in Sabanagrande with Brother Sam Hodges.

In April we had a good group at church for Easter Sunday, ministered for the first time in Liquidambar to a group of children with a brother from another church, and had the great blessing of ordaining 2 more deacons to serve our church family at Faro de Luz and help me in the ministry.

May brought Mother's Day and celebration with a special baking event for the ladies.

And so far in June we hosted Pastor Jay Goldsborough and the Ignite Youth Missions group of 13, which was great! We have another group coming in in 2 weeks from Grace Baptist, Columbus, GA.

Request for your help

2 weeks ago the transmission on our 2010 Ford Escape went out. We have run this vehicle hard for the last 5 years and it has had several mechanical issues. It has 219, 000 miles. The mechanic is saying that after this fix it would be best to try to sell it for what we can get out of it. That leaves us borrowing a car for the present. There is a 2016 Nissan Rogue in good condition for sale from one of our members for \$8,500.00. We had \$3000 saved for car needs and are already dipping into that to work on the transmission. *Would you like to help with this need? If so, please write to us at mbliedtke@gmail.com . God bless you!*

In Christ, Mark and Brenda Liedtke, mis. #1436, Bimi, 8614 Harrison Bay Rd, Harrison, TN 37341
