The Gift of Family

- We love the gift of our family. As we celebrated Micah's first year, we reflected on how gracious God has been in giving us a family – our biological family and the Family of Christ. This is why we have been celebrating the family here at the New Life Ministry. **A healthy family is truly rooted in and transformed by the Gospel.**

THE FISHERMAN AND THE CROSS

- This past Easter, we reflected on the testimony of Peter and his encounter with Jesus Christ. We rejoiced to see both services filled, not only numerically, but with the spirit of the Gospel. A special gift for us was to see many visitors, specifically our next-door neighbors – Renato and Isabela, attend the program. For some time, we have been praying for opportunities to witness to our neighbors. A month prior, Renato “randomly” requested a Bible, however we know this is the Spirit’s work on his heart. Following our Easter Sunday, two families joined the church.

THE GREATEST MINISTRY: FAMILY.

- May is our family month! We have taken these weeks to invest and pray for the strengthening of our families and salvation of the unsaved relatives. On Sundays, we have held “workshops” on dealing with current family issues: ideologies, technology, finances. Mother’s Day Sunday was a beautiful celebration of the biblical women God has gifted in our lives. For the first time, Susana organized our annual Mother/Daughter Tea. It was a true victory to see over 50 ladies attend while all were exposed to the Gospel. And yes, she put the men to work in serving these ladies. ;-). We also celebrated our Family Day at the end of the month. Several relatives attended, some who are unsaved.

RETAINING WALL UPDATE:

- First, we must say a tremendous **THANK-YOU** to all who gave towards the building of this wall. The Lord truly provided through your offerings and prayers. **OBRIGADO!**
- The concrete work on the lower wall has been completed, and all drilling has been finished. On the upper section, the masonry work is already in place and is scheduled to be filled next week. We are now able to move forward on both fronts – the middle wall and the upper wall.
- We are thankful that the weather has cooperated, with only occasional light drizzles. **All bills have been paid, and we remain debt-free.** *The only expenses remaining are those needed to complete the final phase of the project.*

Keep up the Prayers:

- **For the growth of our church family:** we have seen new families joining. Pray for them to create true roots in Christ. And for the families who are faithful – they are under constant spiritual attack.
- **For our neighbors:** we have two families we have become friends with and our praying for their salvation. We hope to begin a new Small Group in our home next year.
- **For our car situation:** our current vehicle is in the workshop. Fortunately, we have Uber here in Sao Paulo. We cannot complain. God has been taking care of us. Please pray, however, for a new vehicle for us.

That's all folks! Thank you for being part of our family!
