

The Nortons to Latin America

June 2026

Dear Pastor and Church Family,

We hope you are doing well! We have been busy and blessed as we have traveled thousands of miles preaching and presenting the ministry. During a recent 15-week stretch, we participated in 10 mission conferences, along with several all-day and single-service meetings.

Since our last letter, several people have trusted Christ as Savior, and three individuals surrendered to full-time service! As we travel, we have had opportunities to witness both in English and Spanish and to pass out Gospel tracts from British Columbia, Canada, all the way to Georgia. Also, we are excited to let you know that five new churches began supporting us last month! We praise the Lord for every church that is partnering with us as we seek to reach the lost and plant churches.

In March, BIMI Central America Director Brother Terry Jones unexpectedly went home to be with the Lord, shortly after the passing of his wife, Mrs. Kaye. As BIMI sought a new director, they contacted us about the position. After praying and seeking God's will, we want to share with you that just a few days ago we were approved as the new Central America Director for BIMI.

God has expanded our ministry. This new responsibility will allow us to continue planting churches with our national pastors in Mexico as well as helping new and veteran missionaries establish new works throughout Spanish-speaking countries. Our burden remains: to see souls saved, churches planted, and nationals trained for ministry. Our plate is full, but so are our hearts as we serve the Lord in His harvest field.

In two days, we will be in Mexico. We will be preaching and witnessing in several cities and searching for a meeting place for our new church plant. One potential building appears promising, and we are praying for God's wisdom and direction in every detail. Please pray with us that souls will be saved and believers strengthened and encouraged.

Until the nets are full,
Bill & Lynne Norton
Nahum 1:7

Prayer Requests:

1. That more churches would partner with us through monthly support.
2. Souls saved during our trip to Mexico, and a building for the new church plant.
3. That more people would surrender to God's call to missions.
