

June 2026

Dear Pastor, Church Family and Friends:

Many Activities: The month of April we had Vacation Bible School and we had many saved through that. Many parents came to the graduation that Sunday and were saved. The last week of April, we had our annual Triple "S" Baptist Youth Camp. We had 1208 that attended. In May we had Jr. Camp, Deaf Camp, and Singles Camp. God blessed in a great way.

Earthquake in General Santos City: Monday morning, June 8, we had a major earthquake in our city with an intensity of 7.8. Our house was not hurt structurally, but many things fell and were damaged inside the house. Over the last few days, there have been over 7,000 aftershocks, many of those very strong, including a 6.7 just a few hours after the 7.8 earthquake and another 6.6 on June 15. September 5, we will have been here 30 years, and we've never seen anything like this. Our church was not structurally damaged. We are so thankful there has been no loss of life among our members. Some of our daughter churches were greatly affected. Many of our members' homes were affected and some houses collapsed and were destroyed. Our city is going through a lot right now and the sad thing is so many poor people had nothing before, and now they've lost everything. Please pray concerning the situation. We are trying to help as many people as we possibly can. Our church is doing all we can to assist those affected by the earthquake. We will first focus on helping families within our church, and then extend assistance to others who are in need. Several people have contacted us asking how they can help. While we do not seek or expect assistance, those who are wishing to help in some way may do so by sending money to our BIMl account #816 and noting "Earthquake Fund." Funds donated will be used directly to rebuild destroyed churches, help church families rebuild their homes, and provide emergency food and clean water to families in areas cut off by blocked roads. Every amount will be used to help meet the needs of people during this difficult time.

Please pray that this will be a time when many hearts are turned to the Lord.

May God Bless you,
Doug & Becky Sisson
