*"For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; **to the Jew first**, and also to the Greek."*—Romans 1:16

*"Brethren, my heart's desire and prayer to God for Israel is, that they might be saved."*—Romans 10:1

### THE COUNTRIES

We have completed mailing our Jewish tracts to Rabbis in Italy. We are now mailing out tracts and letters to synagogues in the United States and have completed 4,183 synagogues. This involves folding, inserting, sealing and applying the postage stamps to each letter with a prayer.

### THE CALLOUSNESS

Several of our mail-outs to Jewish people in Ontario were returned. Some had comments such as "DON'T SEND THESE TO ME AGAIN!" while others simply had "RETURN TO SENDER" in large, bold letters, including an exclamation mark.

### THE COURAGE

You know the courage it takes for you to go door knocking. The Jews are very antagonistic to the Gospel.

Our hearts are beating as we knock on their doors. So far we have not been assaulted...

Reminds us of the time a Jew spat in my face in Toronto on the street.

### THE COUGHING

A few weeks ago, my wife took me to the hospital with breathing problems. After waiting over six hours, I finally saw an ER doctor. He felt I should be taken by ambulance to Winnipeg for a pacemaker. In the meantime, again I had to see another ER doctor in the hospital near our home. I was in the hospital for five days. This doctor put me on a medication which has helped immensely. I can breathe! I was sent home. The only problem with this medication is my loss of taste. I can't taste food.

Please continue to pray about this issue. Your prayers have helped and are much appreciated.

Thank you for your prayers and financial support. You are a blessing, not only to us, but to the Jewish people, even if they do not realize it.
