

Greetings Dear Ones:

"I was glad when they said unto me, Let us go into the house of the Lord." Psalms 122:1

It's always a thrill to be in the house of the Lord to worship, and it's also a great joy to be able to travel to MEXICO and see our spiritual family there. I had a wonderful time in SALTILLO, celebrating the 37th anniversary of BETHEL BAPTIST CHURCH (IGLESIA BAUTISTA BETEL) in April. We had wonderful services Friday, Saturday and all day Sunday. God has blessed the church and it's pastor Noe Muniz and family in his 22 years serving as pastor. So many lives have been touched and changed by the love of God shown through Noe and wife Blanca. Now their older children are actively serving with mom and dad in the church. Amen!!

On Sunday after I preached there were 7 young people and one married couple who came forward and gave testimony that God was calling them into the ministry, and that they were willing to prepare. Pray for God's guidance in their lives. Patty and I thank you for sending us to Saltillo to start this church that has reached and will continue reaching

people with the Gospel of Christ..

John 15:16 in part says---"And that their fruit should remain.." God is fulfilling this through the Bethel Baptist Church in Saltillo, Mx.

But, the work goes on!! I have tickets for flying to southern Mexico in July. I'll be visiting churches in the area of San Cristobal, where we lived back in the 1980's. God has expanded His work through faithful pastors and it's such a blessing to see lives changed by the Gospel. My job now is to encourage and give counsel to those whom God has called to carry on the preaching of the Gospel until He returns.

Patty and I will also be travelling to Costa Rica in October to celebrate the 60th anniversary of the First Fundamental Baptist Church of Coronado, Costa Rica that her parents started in 1966. I'll be preaching there 3 times, and then preaching in missions in the surrounding towns. Pray for our travels as we serve as your missionaries in Mexico and Central America.

Here are a few pictures of many that I took in April. Generations touched with the Gospel and the work goes on!!!
