Dear Pastor Eric Léveillé and Faithway Baptist Church members,

Greeting you all in Christ's precious name. We hope and pray that all is well with you and that you are joyfully serving the Lord. As for us, by the grace of God we are doing well. God is good all the time! Thank you so much for your prayers.

Regarding our activities here in the Philippines, we once again attended the annual Pastors Conference at Harvesters Baptist Church in Biñan City, Laguna. The preaching of the Word of God by the Canadian Pastors - Douglas Wood, Dr. Le Roy Pennell, and Lyle Featherstone was a great blessing and encouragement to us. They also provided helpful books for Christian growth, as well as New and Old Testament Bibles. We have already distributed these Bibles to our new brethren in Christ.

My wife, Aurora, celebrated her 74th birthday this past February 10. We thank the Lord for the good health she continues to enjoy.

On February 20, we held a Medical and Dental Mission at our chapel. Two medical doctors, two dentists and a nurse came to serve our sick neighbors. About 80 people attended and received free services, including free medicine, free reading glasses and free pairs of slippers for the children. Most importantly, they also heard the preaching of the Gospel. Praise the Lord!

We also thank and praise the Lord for the eight new believers who followed Him in water baptism. May these brethren grow in the grace and knowledge of our Lord Jesus Christ.

Again, with all our hearts, we appreciate you so much for your prayers and support. Thank you for your thoughtfulness. May the good Lord bless you abundantly.

Revelation 22:12

Yours in Christ,
Felipe and Aurora Flores

There were eight new believers in Christ who followed the Lord in water baptism. May they grow spiritually.

We pray they grow daily in the knowledge and love of Christ following their baptism.

Thank God for the privilege of preaching God's Word at Ambassador Baptist Church in Taytay, Rizal, during their 17th anniversary last January 20, 2026.
