Dear Pastors, Supporters and Friends,

We are thankful for all of God's blessings to us every day. Our travels have continued for the past few months, and God has protected and blessed us with safety all along the way. Since our trip to Japan in March, we have been able to report to churches in Colorado, Minnesota and Virginia.

Our plan for the future is to go to Japan in July to fill in at our son's church for the next five months. Terri will be teaching the children's Sunday School and a couple of helpers to tend to the babies. I will be preaching and keeping up with the needs of the ministry there.

Prayer Requests:

Safety as we travel and get back into using our Japanese full time! ☺

Health needs: Terri's Fibromyalgia – traveling is challenging.

My A-fib seems to be under control since the ablation, for which we are very thankful.

Please make note that we have moved and our **NEW** address is:

25424 Rum River Dr. N.W.

Isanti, MN 55040

Also, we are needing to cut down on our expenses, so that means our prayer letter will only be going out by email. If you would like to continue receiving our prayer letter please send us the email you would prefer us to send it to you. We pray you will continue to pray for us as we continue to serve the Lord in Japan as the need arises and for traveling to churches to present missions. Thank you for your faithfulness to the Lord in supporting us through your prayers and continued financial support.

Sincerely in Christ,

Dan and Terri Gardner
