2nd Quarter, 2026

Dear Pastor and Praying Friends,

Grateful for the faithful and loyal furry friend God blessed me with for fifteen years! My beloved dog Curry finished her journey on July 6, 2026. I thanked God for 15 years of companionship with Curry, from Trinidad to Grenada. I recalled the day I took her home when she was four weeks old. Two days later she was diagnosed with canine parvovirus, and I almost lost her. In these years we together created many fond memories. We hiked together; we swam together; and much more. I will ever miss Curry. She is family.

Grateful for the newcomers in the children ministry through the school ministry! The Lord is faithful to answer our prayers. Sometime last year I asked you to pray for God to give us an increase, and God answered your prayers by sending many of them. Some are our school students while the others are friends, neighbours, and relatives of our students. Now please pray for God to send forth labourers. Some days I have by myself 30+ children of all ages, which is quite a challenge.

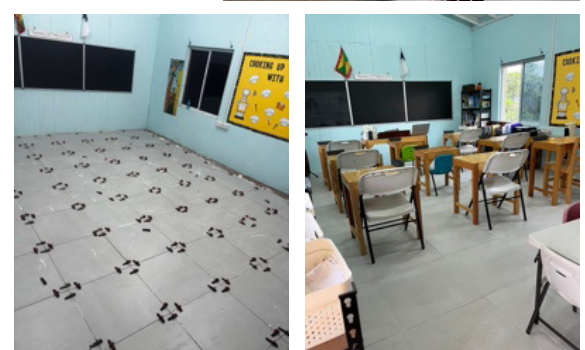

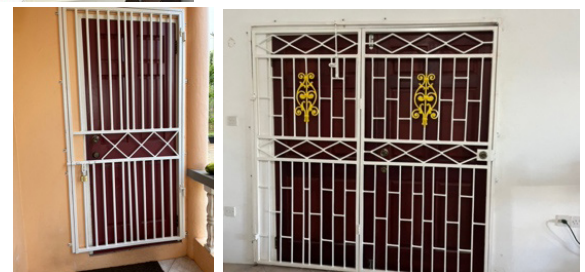

Grateful for the kind, caring, and loving landlord! I mentioned in my last prayer letter that there was an attempted breaking into my house over the Easter holiday. Within one week the gate at the kitchen door where they tried to break into was up. Two months later the gate at the main entrance was also completed. The house is very safe now though sometimes I feel like living in a bird cage. The Lord is so good to give me this landlord, and I thank Him also for entering the 5th year staying in this house.

Grateful for a group of men with a servant's heart! I have been very happy with my new classroom since I moved into it last September. The classroom was bright with cement walls and a high roof. The best part was a washroom inside! However, we ran into a problem that the floor plastering was not done properly, and I swept up a bucket of cement powder every morning. I thought we would see the classroom below us very soon. Thank God CLAIM ministry of BIMi came in April, and they tiled my classroom and two others for us. Now we can truly enjoy the beautiful classroom God bless us with!

Prayer Requests:

- Thank you for praying for my left shoulder. I am 85% well, and now I just need to keep doing some exercises at home. Please keep praying for a complete healing.
- Wisdom and strength to keep serving in the ministry and to prepare for the new school year in September.

With a Grateful Heart,
Coco in Grenada
