Central America Director for **BIMI**

August 2026

Dear Pastor and Church Family,

Summer has been busy! Let us take a few minutes to get you caught up on what God has been doing with us.

We spent most of June in Mexico. As we mentioned in our previous prayer letter, this trip had various purposes. We are excited to report that three people were saved, and many others responded to God's working in their lives! We were also able to rent a building for the new church plant and have now had regular Sunday services there for four weeks. One of the men from our main church is pastoring this new work. It is exciting to see what God is doing!

During our time in Mexico, we were also involved in a family conference, a church anniversary conference for one of our church plants that is now eight years old, counseling, visits, and other aspects of ministry.

Upon our return to the States, we were involved in two weeks of Camp BIMI, which is focused on young people who are interested in missions.

The evening services, classes, workshops, meals, fellowship, Q&As, and testimonies of the campers were such a blessing! God worked in a wonderful way, and we are excited about what God is doing and will continue to do in the lives of the young people who attended. Please pray for them as we all pray, "the Lord of the harvest, that he will send forth labourers into his harvest." Matthew 9:38.

Our family is growing! We now have four grandchildren, and our youngest daughter, Lauren, is engaged to a young man named Braden. Their wedding is in November, and Lynne and I are excited for them!

We are also happy to report that three more churches have taken us on for monthly support! We are so thankful for each and every one of you who are holding the ropes for us, prayerfully and financially, allowing us to be in the harvest—seeking to win the lost, helping new and veteran missionaries in the planting of churches, and training nationals in "Mexico, Central America, and Beyond!" Thank you for your prayers and faithfulness as we labor together in the Lord's harvest.

Until the nets are full,
Bill & Lynne Norton
