THE BORRMANN FAMILY

Preaching the gospel in Windsor - Essex, ON

STRENGTH IN WEAKNESS

Times of weakness and sickness certainly cause us to look upward to God for help. However, the help we often want is immediate healing and escape from difficult circumstances. When physical weaknesses continue, God says, "Be ye also patient...Ye have heard of the patience of Job, and have seen the end of the Lord; that the Lord is very pitiful, and of tender mercy" (James 5:8,11). To the apostle Paul in his weakness, God said, "My grace is sufficient for thee" (2 Cor 12:9).

Many today seem to be facing a myriad of health challenges, and our church family is no exception. Together, we are seeking to patiently trust God through prayer, and thanking Him for His grace. Thank you for your continued prayers for us. Please pray for a family whose middle-aged son is dying of liver failure, two senior folks with increasing health complications, a mother struggling to recover from surgery, a gentleman who has lost work due to an injury, and Pastor Brian Thiessen, whom you may have heard about, is recovering from a minor stroke that caused permanent damage.

Praise God, He is faithful in our weaknesses and continues His perfect work! Our Faith Bible Institute began once again on August 14th with a committed group for another year. This summer, we've been blessed to have a few more missionary families visit our church who are preparing to go to mission fields overseas. Our church is growing in grace giving, and we've been able to adopt these missionaries into our missions program. We have continued operating a booth at a local lakeside market where many good opportunities to share the gospel continue to happen.

- Please continue to pray for our evangelism booth at the Lakeside Market.
- Pray for several of our people needing grace with physical health needs.
- Pray for Jason to have wisdom and grace in shepherding the church.
