Missionaries in
the country of
ARGENTINA

September 2026

Dear Prayer Partners,

In our last prayer letter, we requested prayer for April and her parents as her dad Mark Bohman is fighting cancer. At the end of May, April flew back to the States to be with them and help. We are thankful that God protected her and that she safely returned to Argentina at the end of June. Please continue to pray for her parents during this time.

During the month of July we took a group of young people to a youth conference in San Rafael Mendoza. The trip to the youth conference is a little more than a ten-hour drive mostly through back country with very little cell phone service. We had a bit of a scare with vehicle trouble during one of the dead spots, but with God's help the vehicle kept moving until we safely made it. Once there, repairs were made and we had a safe trip back. We are grateful that God did a wonderful work in the hearts of all the young people. Joel was able to play his guitar and sing a special at the conference.

Another big event for Argentina was the Soccer World Cup which took place in the United States. Sadly, we lost in the final round to Spain, but the nation is very proud of their team and very happy that they beat England in the quarter finals. After the England game celebrations went on for most of the night. The rivalry with England goes back to the Falkland Island war in 1982. There was a bit of a ruckus after the game as the team held up a sign saying that the Falklands belong to Argentina. Not long after that, President Trump stirred the pot when England did not help with Iran and declared that he might not back England's claim to the Islands. The Falklands or Malvinas as they are called in Argentina is still a very hot topic and passions run high.

Caleb has returned to Crown Bible College for his second year and is doing very well. Please keep him in your prayers. It is difficult to be so far away from your children as they go through such big phases of life.

I would like to mention one more very special prayer request. While writing this prayer letter we received a notice from the customs and import tax office stating that there have been problems with complying with the rules of bringing in our container when we arrived in 2018. It looks like we might face a large fine and tax on our belongings that we brought. Please pray that we can handle this situation correctly and that God provides us good counsel and help during this ordeal.
