The Morris

Family to the people of Ecuador

MORRISFAMILY2ECUADOR@GMAIL.COM

Dear supporting churches and praying partners,

We have traveled thousands of miles in the last two months and have had the privilege to report to our supporting churches spanning the distance between 6 states, both coasts of the USA and Canada. **It was a blessing** to see many familiar faces in several churches as well as to meet some in person for the first time in 7 years! The Lord has also allowed us to visit with family members during these months as well.

July started with the opportunity to visit Vancouver Island Canada as we celebrated our 20th wedding anniversary. We continued our meetings in Washington state through mid-July followed by several meetings in Oregon. We closed out the month of July with a few of our supporting churches down in California.

August began by ending our time out west with one of our supporting churches in AZ. We had a small situation occur as we approached a night stay in NM. We got a flat tire which we were able to remove and replace with the spare tire. **We thank the Lord for His protection** as the spot was perfect to change the tire off an Interstate exit. This marks the first time we have had a flat tire, so we thank the Lord for the thousands of miles already driven without a flat. We also thank the Lord for a couple weeks of regrouping back in Tennessee before we resumed our travels of visiting churches again. We finished the last two weeks of August heading north to visit churches in Ohio and in Ontario Canada. Also, it was a joy and encouragement to take part in a youth camp with the church in Ontario where for 4 days **I was able to present the campers with a challenge** of being involved in and understanding missions. We saw many of the campers making decisions this week, surrendering their lives to the Lord's will, some also trusted Christ as savior as well as get assurance of their salvation. We praise the Lord for these decisions and would like to ask you to **pray with us, that these young hearts would continue to follow after the Lord for His glory**. The last week of August we headed back south and had the opportunity to get reacquainted with two of our supporting churches in Pennsylvania.

As September has arrived and Fall gets closer, we are looking to be in many more meetings across several states in the Midwest and in the South. **October may become our busiest month** as we look to be in many states and churches spanning the South, Northeast, and into Ontario Canada. As we now have wrapped up more than half our time on furlough, we thank the Lord for His provisions, especially with safety as we have gone through Spring and Summer. We have started to **look forward to our return to Ecuador** in mid-late January. We have continued to pray for the details regarding the future of our ministry as we transition to another region in Ecuador sometime after we arrive back. **Thanks for your continued prayers** regarding our future ministry as well as the church in the city of Milagro as they seek a pastor.

Please continue to be in prayer about the new car that we will need as we settle back in Ecuador early next year. If you would like to take part in helping with the costs of the vehicle you can send any help to BIMI with a note referencing "Morris Family Vehicle Fund". We praise the Lord for what we have been able to save and raise up to this point! Please pray with us as we currently still need an estimated \$12,500.

We thank the Lord for the partnership that we have with you. We thank Him for knitting our hearts with our supporting churches during this furlough and we thank you for your prayers and support. You all have been such encouragement and blessing to us and we hold you all very dear in our hearts.

Yours for Christ,

Keith, Mandy, Cecilia, Klarah and Isaiah Morris

*Sending Church: Spring Meadow Baptist Church · Franklin, TN 37064 · Pastor Stephen Schwanke
