WHAT AN AWESOME SUMMER!

Our experience in past years is that summertime is slower as far as activities, but not THIS year! We participated in camp training and 5 different camp weeks from mid-June to the end of July, while also hosting 2 Canadian young ladies and a 24-member team from the Faith Baptist of Canoga Park, CA. The Faith team came to help us conduct our first VBS since Covid, reaching over 40 children (half of them for the first time). They all were a great blessing both at our church and at the college by helping insulate the final part of the college building in 2 days.

TIMIȘOARA BAPTIST CHURCH

The church services have been well attended throughout the summer, and with visitors nearly every week. A Romanian lady, Adriana, was saved in July and continues to grow in the Lord and has expressed a desire to be baptized soon. In August, we baptized 2 Ukrainian teens who had made decisions at summer camp. We also received 2 single-unit containers from the city of Timisoara for use with our Ukrainian ministry and afterschool program.

AFTERSCHOOL MINISTRY

This school year we are expanding program for afterschool help from being just for Ukrainian refugees to also include any family in need. Most are low (or no) income families who need a place for their children to go while their parents are working. We have teachers who are currently volunteering to teach Romanian, English and help with basic homework. Our church is providing facilities and utilities, as well as personal, friendly interaction with parents – many of whom are not saved...yet.

SOLAR PROJECT NEARING COMPLETION

You may be aware that we were able to install the solar panels purchased with funds raised during our 4-month furlough early this year. The inverter and battery storage were installed last week and we were able to operate our church building without using any electricity from the utility company. This week the 3-phase service will finally be installed at the street so we can also connect the rest of our facilities. We will need an additional \$2000 to finish this project. Please pray for this need because it comes at the same time that our property tax is due (another \$2000).

THE BAPTIST COLLEGE INTERNATIONAL - tbc.eu

The 2026 Fall semester has begun with our largest student enrollment in the history of our college! We have students from 8 European countries and also a new intern, Vashti, who just graduated from West Coast Baptist College.

GRATEFUL FOR YOUR PRAYERS AND FAITHFUL SUPPORT

ALL glory to God for what He has done! We also know that our ministry has only been possible because of you. God bless you all!

Your servants for Jesus' sake,

*Tim & Debra
Tyler*

*For we preach not ourselves, but Christ Jesus the Lord;
and ourselves your servants for Jesus' sake. 2 Corinthians 4:5*
