Dear friends and family,

September 2026

We just got back from a month-long furlough in the NorthEast and Canada. Pastor Randy Alderman, with BIMl's ARM ministry, came down to take care of our church in our absence. We visited nine churches in the US and four in Canada. It was a blessing, and an encouragement, to visit these churches, most of which have faithfully supported and prayed for us since we moved to the islands almost 9 yrs ago. Some of them have taken us on for support in the last year, and a couple we visited did not support us. We praise the Lord as one of those churches took us on for support this furlough!

We met a few Haitians, in the states, as well as Canada and enjoyed speaking to them in Haitian Creole. It was encouraging that they gave a Biblical testimony of salvation.

While visiting the churches in Canada, we also attended a week-long Christian camp, hosted by one of our supporting churches. I was the camp's guest missionary for the week, and was able to teach the campers about missions. Our three oldest girls were able to attend as campers. There were about 80 young people, from several different churches, and many decisions were made, both for salvation, as well as to serve the Lord. Please pray for the campers, the staff, and the decisions that were made.

The day before we left the islands (Sunday), we found out our church had been broken into. Our church has two rooms: the auditorium, and the Sunday School room. One window in each room was shattered, glass was all over the chairs and floor. Only one item was stolen: a 25' extension cord. As the island culture is very much a vengeful society, I am teaching the people two things: First, love your enemies and forgive them when they wrong you, for God loved us in that while we were yet sinners, Christ died for us. Second, since it is doubtful that the police will find who broke in and stole from the Lord, I am teaching the people that God is the Judge. He knows exactly who did it, and He is neither lax in His judgment, nor is He a respecter of persons. He will execute perfect judgment, and He will do it in His time. Please pray that God's people would grow to be more like Christ, and have a desire to serve Him and live for Him.

Thank you for your faithful prayers and support.

In Christ,
Paul, Amy, Abby, Emily, Sadie, Ben, and Caleb Valles
