

the BUCKINGHAMS

CHURCH PLANTERS TO

THE NORTH SHORE OF NEW BRUNSWICK

Dear Praying Friends

September 2026

The Lord's paintbrush is in full colour in our neck of the woods. It is hard to believe we have entered the fall season. We praise the Lord for a busy and fruitful summer.

In July we held our annual church community picnic. We had a record attendance for this event with 5 first time visitors attending. Two weeks later we held our VBS that brought in several children from our area. We are praying these outreaches continue to plant seeds in unsaved hearts in our community. On July 12 I had the privilege to baptize 6 people who followed the Lord in baptism, including two of our children, Alan and Cherith.

In August, preparations were underway for a building project on our building. One of the needs for our building were new windows, siding, and insulation. The project began on August 31 and finished on September 17. I am happy to report that the project went well, and all the funds came in to pay for the work. I want to thank those who gave and prayed towards this project for us. Several neighbours have come by to let us know how beautiful the church building looks, and they are happy we are in their neighbourhood. Although it is just a building, we are praying that the Lord uses this as a testimony to our community that God is at work. The man who owns the construction company that did the work, also grew up attending the church as a young person when it was formerly a Pentecostal church. I was able to work with Jason on the church for much of the work. This afforded me the opportunity to talk with Him about the Lord. Please pray for Jason that God would work in his heart.

In the midst of the building project, we held our 9th Anniversary service on September 13. It was such an encouraging day to hear testimonies of how God has used North Shore Baptist Church over the past 9 years. It is hard to believe we are coming up on a decade of ministry here on the North Shore of New Brunswick. I want to thank many of you who have been faithful in praying and supporting the ministry here over the past 9 years.

September 17-20 was our annual Missions Conference. Our theme this year was "So Little Time". Fellow Canadian missionary Wes Burns from Québec came and preached for our conference. We are thankful for how God used the conference in our church.

Please pray for our King's Kids Ministry and Friday night youth outreach that begins this fall as well.

We appreciate each one of you for your faithful prayer on our behalf. **(Pictures attached on the next page)**

For His Glory,

Joel, Holly, Emilylyn, Wesley, Alan, and Cherith
