Dear Pastors, Supporters, and Friends,

We made it back to Japan in July and are now into our third month of serving here in Nago City, Japan, at Seaside Baptist Church. In case you did not know we are filling in for our son Dan and his wife Heidi while they are on a short furlough in the States. The Lord has been blessing, and we have had some good services and good fellowship with the Japanese Christians here. We are very thankful for the work that our son and daughter-in-law have been doing and what God has been doing through them.

It has been really hot since we got here, and we have not had a morning when the temperature was cooler than 80°. We have also gone through several typhoons, and it seems like the rain will not let up! Hopefully it will clear up for fall.

Speaking of fall, we are planning on having special meetings with a Pastor from mainland Japan on Sunday, October 25. He will be preaching both morning and afternoon services. Please pray for visitors to come and people to be saved. We are passing out 5000 flyers for the meetings so please pray that God would use them in a great way. We have had several visitors since we arrived, for which we are thankful. Please pray that they will continue to come.

We are sending our letters out by email and hardcopy, but we are wanting to just do email letters in the future. If you have not contacted us yet to send it by email, please do so by letting us know your new email addresses. Also, if you have not corrected our new mailing address it is: 25424 Rum River Dr. NW, Isanti, MN 55040.

Thank you for your continued support and prayers for us as we strive to serve the Lord together for Him.

In Christ,

Dan and Terri Gardner
