Dear Friends:

BIMI MISSIONARY
EMERITUS

Thank you for praying and giving so that we and/or those we trained can be ambassadors for the Lord Jesus Christ on the West Indies island nation of Trinidad and Tobago. The gospel work continues in Trinidad through the various churches where our family and others have been privileged to serve The Master in the areas of evangelism, establishing churches, and edifying and equipping nationals to do the same.

This prayer letter was perhaps delayed somewhat because I (John) had right total knee replacement surgery on July 17th. This surgery had been previously scheduled twice and had to be delayed due to other health complications with both Brenda and I, so the inflammation worsened much and the recovery has been more difficult.

We both seem to be doing better health wise as of late, though we are asking you to pray for Brenda. She has some type of back and abdominal pain, which of course may be related to one of the six major abdominal surgeries she's had since late 2020. She and her health team are pursuing answers, so please pray about this.

We have been able to give several dozen gospel film cards/tracts to different folks and have been able to speak to dozens concerning their eternal destiny also, so pray God's blessings upon these efforts.

In Christ,

John and Brenda Gossett
