October 2026

Dear Pastor and Supporting Churches,

THANKFULNESS

As I write this letter, Lynne and I are busy traveling for meetings and missions conferences. God has been so good to us! We are thankful for each one of you who faithfully prays for us and supports us financially as we follow the Lord's leading in our lives and ministry.

TRAVELS

Our travels have taken us from Tennessee to New Mexico, as well as through Texas, Oklahoma, and Missouri. Over the last two months, we have traveled several thousand miles, which has necessitated some vehicle maintenance. We have had to replace tires, brakes, rotors, and a battery, along with a few other repairs, totaling more than \$2,500.

Through it all, we are so thankful for God's provision and His protection! During these travels, Lynne and I have had opportunities to pass out tracts and Bibles and to witness for the Lord as we have attended meetings and missions conferences.

We have seen God work in wonderful ways! Six people have been saved, many have responded to invitations, and several churches have taken us on for monthly support! We are grateful to see the Lord opening doors and working in hearts!

TRUSTING

Over the next two months, we have more traveling scheduled, and we look forward to the open doors and opportunities the Lord has given us. We are trusting Him to continue to increase our monthly support, see souls saved, and call more people into missionary service.

Prayer Requests:

1. Our new church plant in Jacala, Hidalgo — that those who have been saved will continue to grow spiritually and remain faithful.
2. That the Lord will provide the monthly support we need.
3. Souls to be saved
4. People to respond to God's call on their lives.
5. Our daughter, Lauren, as she prepares to get married in November.

Thank you for holding the ropes for us, prayerfully and financially, allowing us to be in the harvest, seeking to win the lost, and helping new and veteran missionaries in the planting of churches.

Your co-laborer in Central America,

Bill & Lynne Norton
