Dear Friends in Christ,

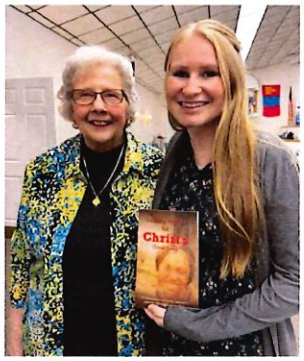

About two years ago the Lord gave me Psalm 71:18; *Now also "when I am old and greyheaded, O God, forsake me not; until I have shewed thy strength unto this generation, and thy power to every one that is to come.* He was showing me that He wanted me to teach a women's Sunday school class which has been such a blessing to me. We now have fifteen members. God is so good!

Two years ago this month Ron went home to be with the Lord. I know he is just where he wants to be and I am so thankful he is finally pain free. I have wonderful memories of our 50 years in missions along with 61 years of marriage, five wonderful children and their mates, 16 grandchildren, and 7 great-grandchildren with another one on the way. God is so good!

I had my first knee replacement on July 13. I was hoping the Lord would take me to Heaven before that had to be done but evidently He isn't through with me yet. I did great as I had my nerves above my knee frozen and only experienced bad pain about the first four days and then no pain killers! God is so good!

My sister who lives right next door to me gets with me every evening. We also go to church together, cook for each other and share meals. We are three years apart and it is such a blessing to have so much good clean Godly fellowship together. God is so good!

God continues to use my book "Have We No Rights" to touch lives for His glory. I still have Christian colleges using it for mission majors. God is so good!

My son, Hiram Bragg, just wrote a book sold by Amazon entitled "Built Different" that is such a blessing to me and I know it will touch other lives. God is so good!

Finally, you are taking such good care of me both in financial support and most of all with your prayers for me. Many of you have been faithful during our time of ministry and also when we became too old to be on the road and traveling overseas. May the Lord richly bless you for your part in being a channel for God to care for me! God is so good!

In His loving care,

Donna Bragg
