Dear Pastor and Praying Friends,

Nahum 1:7: "The LORD is good, a strong hold in the day of trouble; and he knoweth them that trust in him." I thank the Lord for the peace and comfort He has given me in the last few months, and His grace is sufficient for me. On July 6th, Curry, my furry companion for fifteen years, finished her journey. Two weeks later Khadell moved to England to be with his mother. While I was very happy that he finally got to be with his mother whom he had not seen over five years, I truly missed his presence. Khadell spent his grade 1 and 2 years in my class, and he was an excellent student in those years. He had been coming to the children ministry for five years though he dropped out for a short period of time. In the last couple years, I watched him grown to a mature fine young man that loved the Lord and had the desire to serve Him. He memorized every Bible verse we learned, and he listened well in class. After every single class on Wednesday, Friday and Sunday, Khadell immediately, without me asking, helped pack up my stuff and loaded them in my car neatly. He then helped recover my classroom for school next day. Six months prior to moving to England, Khadell even began leading some song services. He has a very special spot in my heart. Please pray that Khadell will keep going to church, loving the Lord, and giving his life to Him.

A fine young man 2026

Lifeline Christian Academy resumed on September 7th. We had to postpone the reopening day by a week due to the delay of completion of the new building. We are so grateful that we now have a cafeteria. We no longer need to set up and take down the tables and chairs every Wednesday, Friday, and Sunday. The school used to have lunch in the sanctuary.

This year I have 11 students, two girls and nine boys. As you could tell all the energy in my classroom with nine boys.

This is so sweet! Pizza? Sweet? Yes, my student brought it for me from home!!

Assembly and lunch hour Bible Club at the government schools The students, the teachers and I were so excited to see each other again. I am ever grateful for the privilege to share the gospel with these young people. Please pray for God to keep the doors open. The third term of last school year, I hardly got to visit the secondary school due to the many other activities they had at the school.

Prayer Requests:

- My Sunday school student Amara made a profession of faith on October 4th. Please pray for her desire to live her life for God.
- God's protection upon the church, the church got broken into at the end of September.
- The young people at the juvenile centre to know Christ
