October 2026

Update from the Hills

It has been a while since I have sent an update, and so I would like to quickly bring you up to speed with what has been going on here.

Regarding the mosque, as many have been asking, no decision has yet been made. I am not sure what the significance of the October 5 date was, but the hearing has not yet been held. When I get firm news, I will let all know.

The team from NT Baptist Church came over and replaced all our flooring and did some other jobs around the church. We thoroughly enjoyed having them around, and they preached two Sundays morning services for me while they were here. Thank you, Pastor Chris and the rest of the team, for the blessing that you were to us in so many ways! Our people are so delighted with the new look of the church! Also, we were able to replace all the roof windows. No more leaks!! I am so glad that we went with a roofer here in Ireland, because our roof was so complicated. Every bit of it has now been replaced with materials that come with a 20 year guarantee. I won't have to think about it again in my lifetime … God willing….

Some wonderful news!! Ian, who I had asked prayer for, got saved last week. He was so ready! He is now coming to church every week with Rachel and with the rest of the family. Please pray for him to continue in the faith and that his hunger does not diminish.

All the new converts are continuing on, which is encouraging. Finn and Caoimhe started coming back at the beginning of this month. Please pray for them to settle down and really grow in their faith.

Our upcoming events are our Harvest Thanksgiving service and meal on November 8. Then, we will have our Christmas programme on December 13. Please pray that we see fruit for our evangelism (door to door etc). Many are promising to come to church to visit, but no one has as yet. We are seeing visitors, but not through our visitation, but we would like to see that ministry bear fruit.

Finally, please pray for God to fill our Sunday school classes regularly with children who are "hungry" for the Word. It is a real need right now, and our teachers and faithful members are praying all the time about it.

Thank you all, dear praying friends,

Les, Jen and family
